

Gallery for Hire

Individual artists or collective groups looking for a unique, centrally located exhibition space in Edinburgh might want to check out the Gladstone Gallery. It is on the second floor of Gladstone's Land, complete with original 17th century features and painted ceiling. Measuring 20' x 24', the gallery is available for hire in April, May, July and October 2012. Artists are responsible for staffing the space and handling their own marketing and sales. The gallery takes no commission on the sale of their work. Please contact the Property Manager, Fiona Murray, for details of the weekly hire rates and to arrange a viewing.
